USER

Ticket from [PERSON_1] ([EMAIL_1]), phone [PHONE_1]:

The main printer on floor 2 (building A) has been offline since this morning – a blinking amber light and no response. Several colleagues can't print. Please help.

RESPONSE

[PERSON_1] reports the floor-2 printer (building A) is offline since this morning (blinking amber light, unresponsive), blocking several colleagues. No troubleshooting done yet. Suggested next step: remote power-cycle and check the print spooler; follow up with [PERSON_1] at [EMAIL_1] / [PHONE_1].
